N'utilisez que les
pièces d'origine

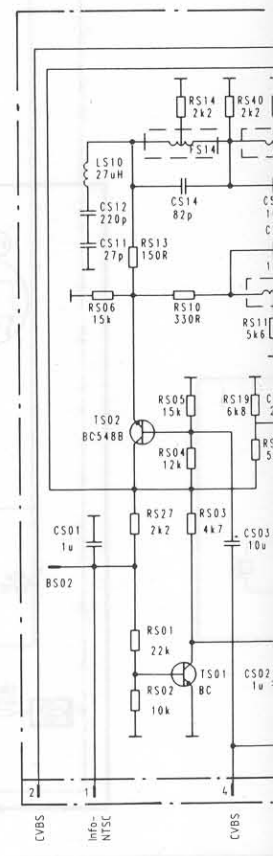

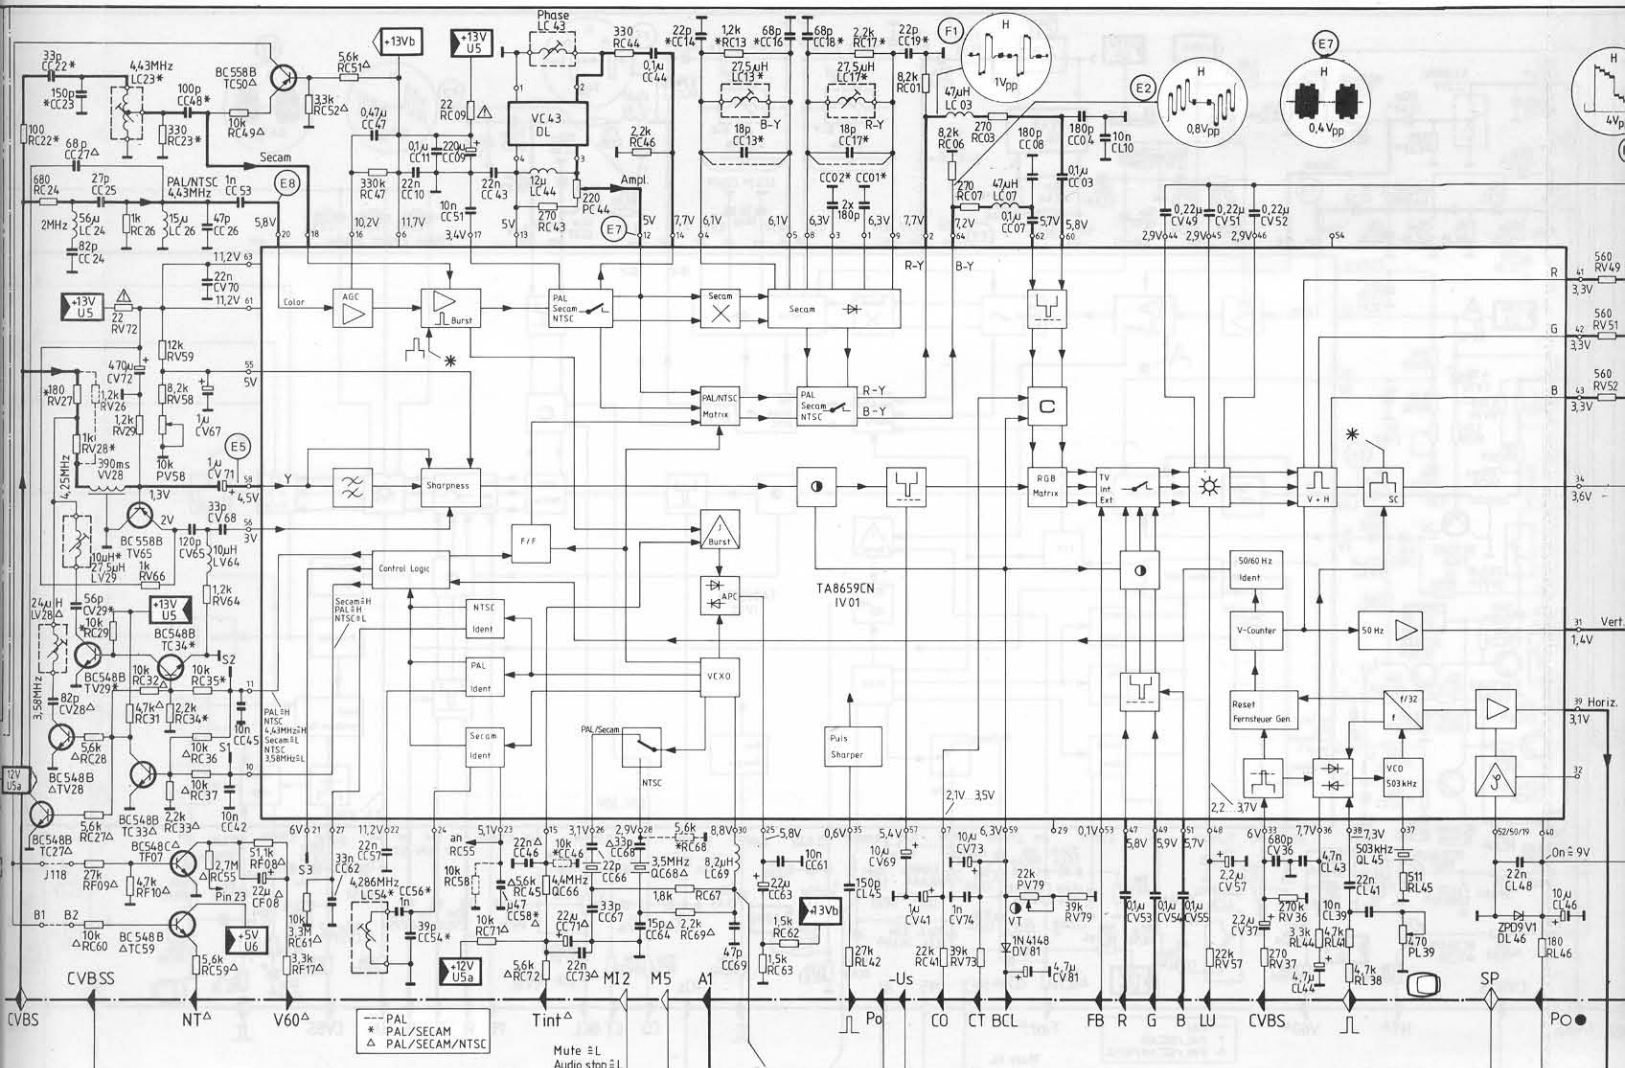

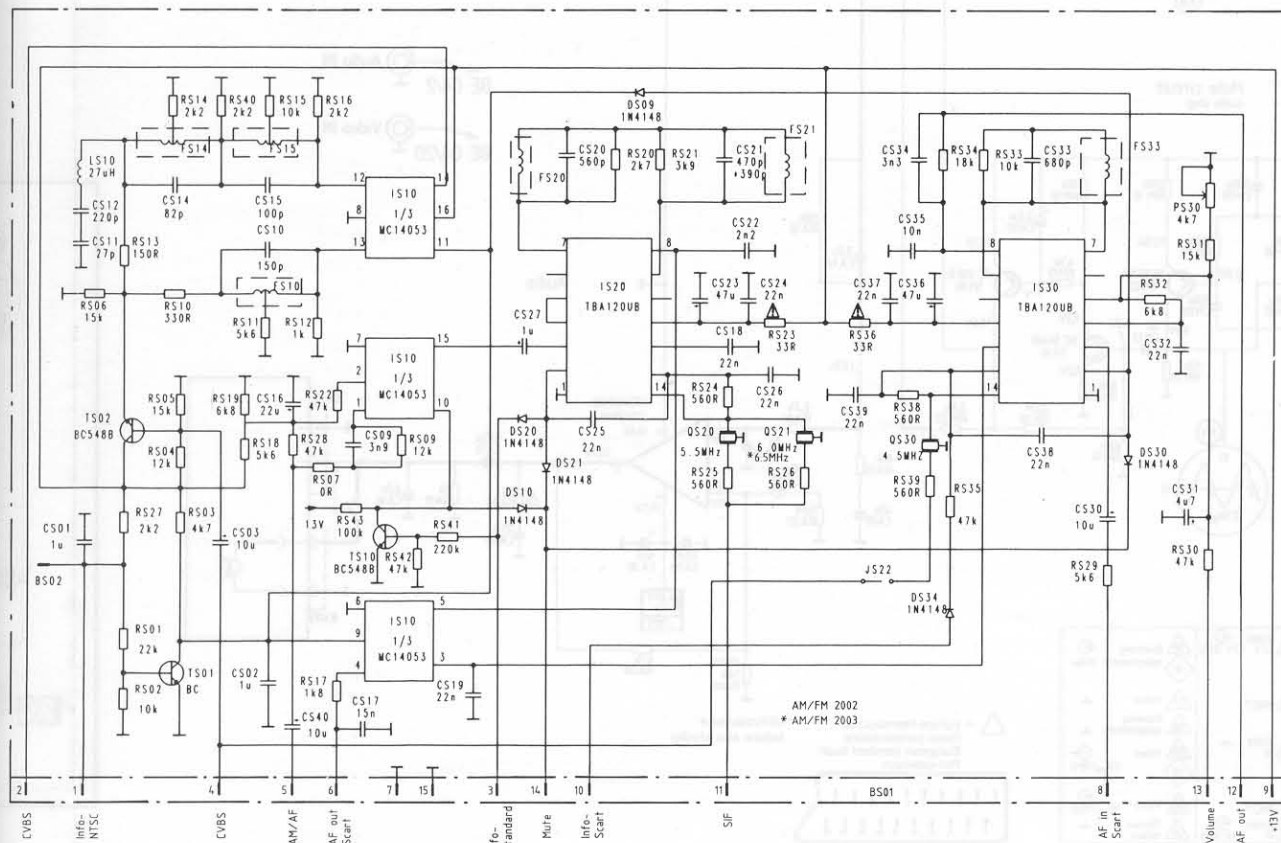

Ton-Baustein · Audio Mod

Ton-Baustein · Audio Module · Module Son · Modulo Audio AM/FM 2003

Achtung! ⚠

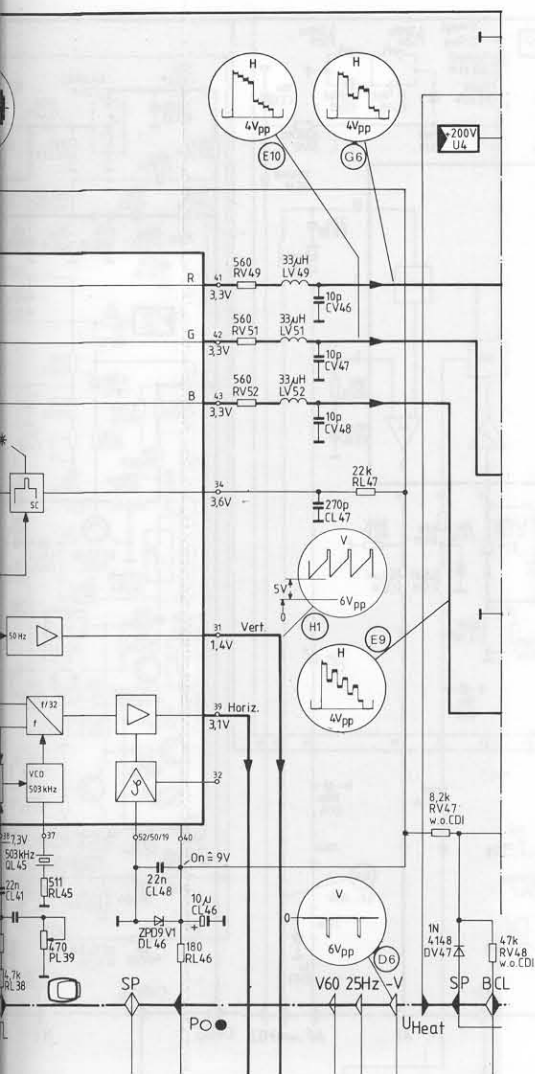

Dieses Gerät ist mit einer Batterie ausgestattet (Position XR 85 oder XR 82). Der Austausch ist unbedingt zu beachten (Explosionsgefahr). Nur durch das vom Hersteller gegebene Originalteil oder eine äquivalente Batterie kann das Gerät repariert werden.

Warning! ⚠

This unit is equipped with a battery (item XR 85 or XR 82). When replacing the battery, it is essential that you observe the following precautions (danger of explosion). The battery must only be replaced by the original part or an equivalent battery supplied by the manufacturer, and it must be previously tested. Used batteries must be disposed of as laid down in the regulations of the country in question.

Attenzione! ⚠

L'apparecchio è provvisto di una batteria (posizione XR 85 risp. XR 82). Il sostituto deve assolutamente essere di qualità sia corretta (pericolo di esplosione). La batteria va sostituita solo con la batteria originale o con una equivalente indicata dal costruttore e deve essere smaltita correttamente.

Préamplification

10 Fernbedienung
Remote control

Achtung! ⚠

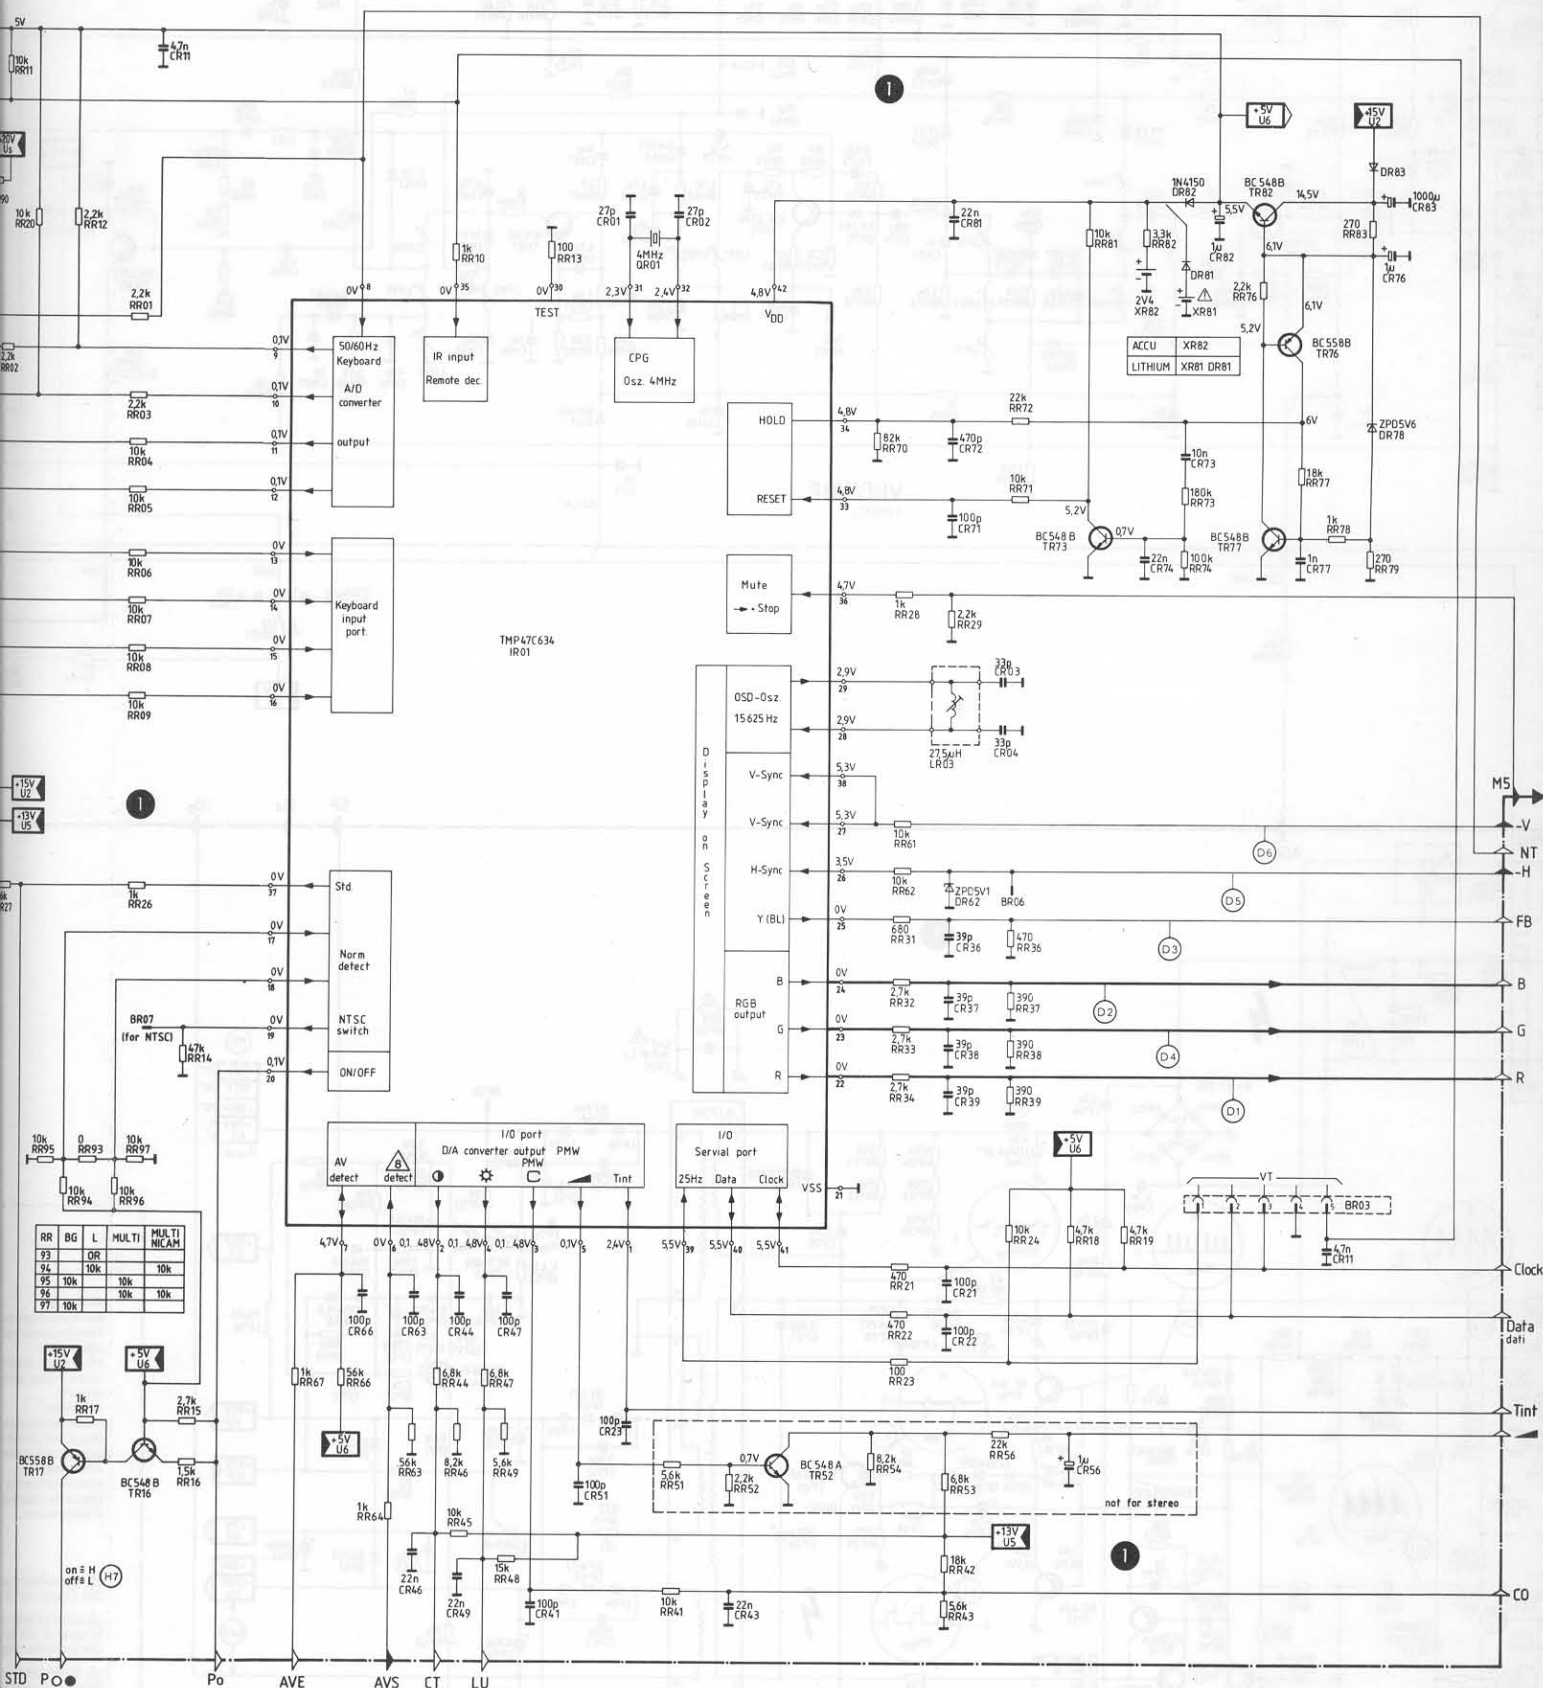

Dieses Gerät ist mit einer Lithium-Batterie ausgestattet (Position XR 85 bzw. XR 82). Beim Austausch ist unbedingt auf die richtige Polung zu achten (Explosionsgefahr)! Die Batterie darf nur durch das vom Hersteller geprüfte und angegebene Originalteil ersetzt werden. Verbrauchte Batterien nur in den Sondermüll geben.

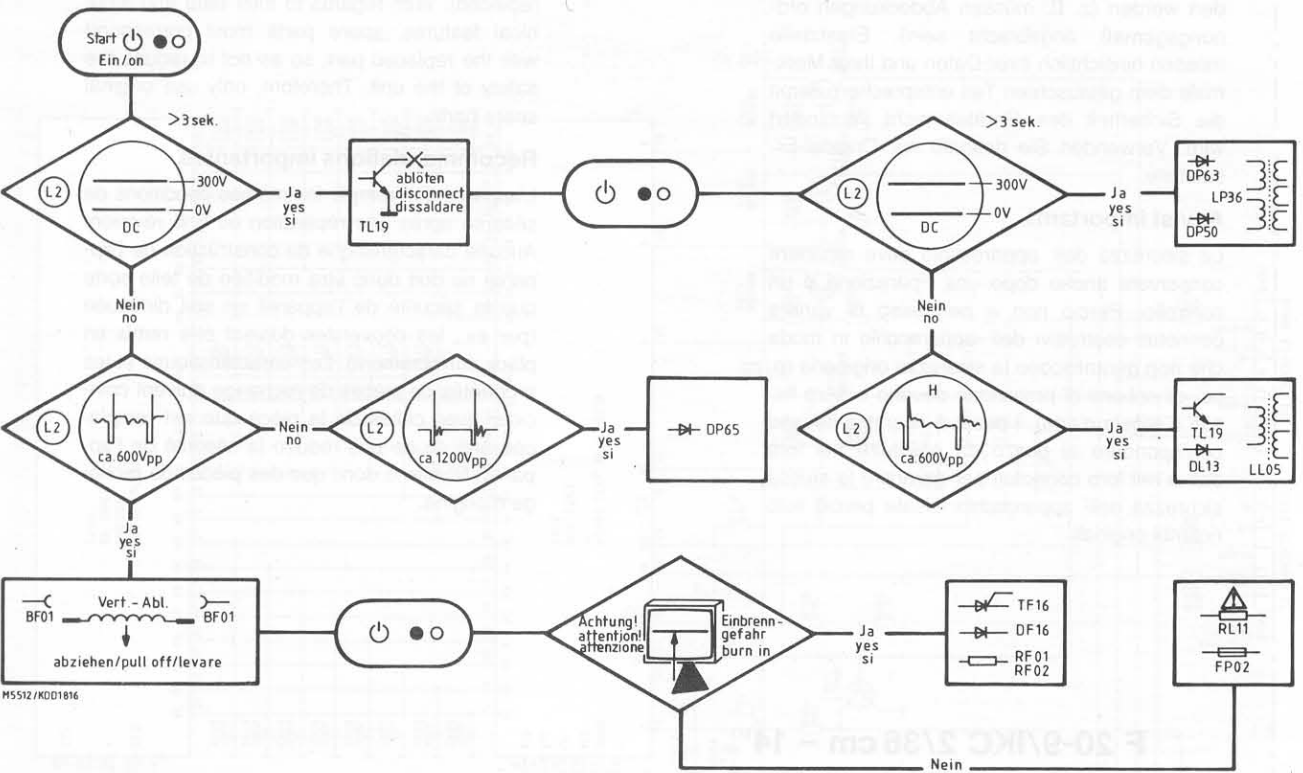

Warning! ⚠

This unit is equipped with a lithium battery (item XR 85 or XR 82). When exchanging the battery, it is essential that the correct polarity is noted (danger of explosion). Any used batteries must only be replaced by the original batteries of the manufacturer, which have been previously tested. Used batteries should only be disposed of as laid down in the regulations of the country in question.

Attenzione! ⚠

L'apparecchio è provvisto di una pila al litio (posizione XR 85 risp. XR 82). Alla sostituzione bisogna assolutamente assicurarsi che la polarità sia corretta (pericolo di esplosione). La batteria va sostituita solo con parti originali collaudate ed indicate dal costruttore. Le batterie usate devono essere smaltite come rifiuti speciali.
